TWY R	Grass	-

A number line with two scales. The top scale is labeled with 100, 0, 100, and 200m. The bottom scale is labeled with 200, 0, 200, 400, 600, and 800ft. The scales are aligned such that 100m on the top scale corresponds to 300ft on the bottom scale, and 200m on the top scale corresponds to 600ft on the bottom scale.
